Experience a JOLLEY TROLLEY Ride to some of the following local attractions!!!

Charter the Trolley.... Your group, large or small can charter the trolley to take you from the hotel, to the Marina for a dinner / dance cruise on the Gulf and be at the dock when you're done. Or maybe you want to go to a gourmet restaurant ten miles away; the Jolley Trolley will take you there and see you get back safely when you're through! On the other hand, maybe you and your group just want a tour of the area. We can do that! It's the fun way to go and a lot cheaper than a cab or limo. Especially since you can't get thirty-two people into a cab or limo!.

Narrated Tours.... Once you're here you'll have seen the Gulf and the beaches. Now you see historic and beautiful sights, none of which can be seen from the beach or your hotel room. The Jolley Trolley has available a narrated one or two hour tour of Clearwater and it's neighbors. Estimated Cost: Prices vary depending on # of people, location, and duration
